I. INTRODUCTION

This Extended Service Coverage, herein referred to as Service Contract, is designed specifically for Cat On-Highway vehicle engines and is an important part of Caterpillar's continuing effort to provide "you" with superior value and product support.

II. TERMS AND CONDITIONS

This Service Contract provides parts and labor coverage less any applicable deductible for the "cost" of a "mechanical breakdown" under normal use during the "coverage period" due to a defect in material or factory workmanship. Coverage under this Service Contract is subject to the applicable exclusions listed under Section VIII. Exclusions and Limitations.

The Registration Certificate must be completed in its entirety at the date of registration. "You" should purchase this Service Contract on the "covered component" purchase date from an "authorized dealer". Certain fees, penalties and coverage availability may apply for any Service Contract requested after the original purchase date. "You" must contact an "authorized dealer" for complete details.

Coverage under this Service Contract starts on the date the component is purchased.

III. DEFINITIONS

"Authorized dealer" means a dealer authorized by the manufacturer to sell, service and repair the "covered engine".

"Cost(s)" means the usual and fair charges as determined by the manufacturer for parts and labor necessary to repair or replace the parts covered as specified in the Service Coverage Matrix. Replacement parts will be genuine manufacturer's parts when performing repairs and may include new, remanufactured or repaired components.

"Coverage period" means the period that commences with the start date as shown on the Registration Certificate and expires when time, miles/kms or service meter hours, whichever occurs first, from the start date of the "covered component" exceeds the coverage limits as specified on the Registration Certificate.

"Covered component" means the components listed and identified for the appropriate level of coverage on the Service Coverage Matrix form (attached to and made a part of this Service Contract).

"Covered engine" means the engine identified for this coverage as shown on the Registration Certificate and accepted by "us" for coverage.

"Mechanical breakdown" means the failure of any original or like replacement "covered component" to work as it was designed to work in normal service, provided it has received customary maintenance as recommended in the manufacturer's Operation and Maintenance Manual.

"Repairer(s)" means a business entity "we" have authorized as a repair facility or "authorized dealer".

"Warranty" means any warranty of the manufacturer or a "repairer's" guarantee or warranty.

"We," "us," and "our" mean the provider issuing this Service Contract.

"You" and "your" mean the customer shown on the Registration Certificate.

IV. OUR RESPONSIBILITIES

"We" will pay the "cost", less any applicable deductible, to repair, replace or service the "covered component" for a "mechanical breakdown" of a "covered component". This work will be during normal working hours at a "repairer's" place of business. "We" will provide, at "our" choice, new, remanufactured or repaired components when replacing or repairing any "covered components". Further, "we" will also pay the components and labor charges for any Cat component that is rendered unserviceable by a "covered component" failure.

"We" will restore the "covered engine" to its operating condition prior to the "mechanical breakdown" by repairing and / or replacing only the required "covered components" and consequentially damaged Cat components necessary to facilitate the repair. Other parts or components removed in the process of the repair will be reinstalled as is, unless "you" authorize "your" additional expense to repair or replace.

"We" will also pay the reasonable "costs" of any expendables or consumables that are made unusable as a result of a "covered component" failure.

V. YOUR RESPONSIBILITIES

"You" shall operate, maintain and perform all recommended maintenance for the "covered engine" according to the guidelines and recommendations as specified in the manufacturer's operation and maintenance manual and if specified on the Service Coverage Matrix.

"You" shall utilize an "authorized dealer" for all scheduled oil sampling (S.O.S.) as specified in the manufacturer's operation and maintenance manual by submitting samples promptly with necessary sample information at the specified service intervals.

"You" shall be responsible for all "costs" not covered by this Service Contract.

VI. COVERAGE TERRITORY

This Service Contract is available for issuance worldwide (excludes Colombia, Australia and New Zealand) except when coverage provided by this Service Contract would be in violation of any U.S. A. economic or trade sanctions such as, but not limited to, sanctions administered and enforced by the U.S.A. Treasury Department's Office of Foreign Assets Control ("OFAC"), such coverage shall be null and void. Similarly, any coverage relating to or referred to in any certificates or other evidence of coverage or any claim that would be in violation of U.S.A. economic or trade sanctions as described above shall be null and void.

VII. CLAIM PROCEDURES

In the event of a "mechanical breakdown" of the "covered engine", "you" shall:

1. Take all reasonable steps to protect and safeguard the "covered engine".
2. Report the "mechanical breakdown" promptly to "us" or a "repairer".
3. Promptly make the "covered engine" available to a "repairer" for repair and examination and provide proof of this Service Contract registration by presenting the customer copy of the Registration Certificate.
4. Furnish "us" or a "repairer" with such information as may be reasonably required to assess the "mechanical breakdown".
5. Provide proof of compliance with the maintenance schedules as recommended in the manufacturer's operation and maintenance manual, such as receipts or copies of work orders or invoices from "repairers" or "authorized dealers" showing the maintenance and services performed. Failure to show proof may result in denial of coverage.
6. If "we" pay for the "costs" of a "mechanical breakdown", "we" will be subrogated to "your" right to recover damages from another party. "We" will not pay for such "costs" if "you" impair these rights to recover. "Your" rights to recover from another party may not be waived.

VIII. EXCLUSIONS AND LIMITATIONS

This Service Contract does not cover a "mechanical breakdown" caused by:

- Acts of God, war, vandalism, riot, theft, explosion, and any other act of nature or man.
- Operator abuse, misuse, neglect, accident, improper operation, lack of customary maintenance, failure to follow maintenance procedures and scheduled component inspections / replacements as specified in the manufacturer's operation and maintenance manual; repairs, alterations, or modifications made subsequent to the purchase by "you" of this "covered engine" that either affects the mechanical operation as designed by the "covered engine" manufacturer or is not done by a "repairer".
- "Repairer" workmanship.
- Any application or installation not approved by the manufacturer.
- Wear and tear, depletion, deterioration, corrosion and erosion.
- Steel shims and cast iron block inserts.
