- Heel Shrouds
- End Bits, Sidebars and Sidecutters
- Bolt-On Half Arrow Cutting Edges
- Base Edge Protectors and Covers
- Bucket Segments, Corners and Wear Plates
- Broom Bristles/Bristle Kits

## WHY USE CAT GROUND ENGAGING TOOLS?

- **Harder Material** – CAT's G.E.T. is made with harder materials that provide longer wear life, reducing premature failure and decreasing owning/operating costs.
- **Drilled & Tapped** – All flat stock is drilled and tapped, providing a safe way to handle edges and end bits during disassembly and assembly.
- **Made to CAT Quality Standards and Specifications.**
- **CAT Warranty** – Free lifetime replacement if breakage occurs during normal operation.

**THREE EASY WAYS TO PURCHASE:** Call or stop by any Milton CAT Parts Department • Online at [parts.cat.com/milton](http://parts.cat.com/milton) • Email: [parts\\_sales@miltoncat.com](mailto:parts_sales@miltoncat.com)
